**When does the league start and end?** The 2025 season will begin on April 9 and will be highlighted by the Thanksgiving Point Men's Club Championship July 19. Play as often or as little as you prefer during the season. You need not play every week. There are instances when league play will be interrupted because of a holiday or big tournament, but this is rare.

**Do I need to be a good player to play?** No. Our members shoot anywhere from 32 to 60 for 9 holes. The league is flighted and handicapped for fair and equitable competition. All payouts will be flighted. Flights will be determined by the golf course based on number of players.

**Do you need a USGA GHIN Handicap to participate?** Yes, Each member of the league will need an active USGA handicap. You can sign up for a handicap index by joining the Utah Golf Association. Visit [www.uga.org](http://www.uga.org) to sign up

**What kind of events do you have?** We play a variety of weekly games each week including Low Gross/Net, Chicago, Stableford, Shambles, 7 Best Holes etc. League members will need to play in a minimum of four weeks to be eligible for the Club Championship.

**Will I have to play the same 9 holes every week?** We do our best to alternate the 9's every week. League play will also use the WHITE and BLUE tee markers for competition.
